Mr. James M. Frey  
Assistant Director for Legislative  
Reference  
Office of Management and Budget  
Washington, DC 20503

Dear Mr. Frey:

Enclosed is a draft views letter from the Director of Central Intelligence (DCI) to the conferees on the Fiscal Year 1988 Intelligence Authorization bill (H.R. 2112/S. 1243).

You will note the letter refers to a separate classified letter commenting on Section 402 of the bill. We are sending that letter via the National Security Division/Intelligence Branch. //

We ask for your advice as to whether or not there is an objection from the standpoint of the Administration's program to the submission of these letters.

In order that the DCI's views are received in sufficient time to be of benefit to the conferees, we would like to submit the letters no later than 31 August 1987. We therefore would appreciate receiving your advice in a timely fashion.

Your cooperation is most appreciated.

  
Deputy Director for Legislation  
Office of Congressional Affairs
